

## **Pi Chapter: Philanthropy & Excellence in Education**

**Grant in Aid:** An annual award of \$500 is given to a female college student beginning her student teaching. The recipient must have attended a high school in Potter or Tioga County. When funds are available, multiple grants are given.

**Classroom Enrichment Grants:** Annual awards given to classroom teachers seeking to enhance their classroom instruction. Requests are varied, but must be seeking “excellence in education”. Available funds determine the number of requests that may be honored.
